Following the initial class meeting, my goal will be for you to cover approximately one chapter per week from the first year Greek textbook,, Greek to Me. by J. L. and Cullen I. K. Story.

Beginning with the second class meeting, you will have a quiz each week that covers vocabulary, paradigms, and the reading exercise from the appropriate chapter.

Your grade for the course will come from an average of your best ten [10] weekly quizzes and the final exam, each respectively counting 50% of your course grade. Your grade will be penalized for unexcused absences.

If you have trouble with the course material come by and see me from extra help. Or, you can get help from my graduate assistant, if your prefer. You can come every week if you like. My personal goal is to have everyone who begins the course to complete it successfully!
